

Nexora Employee Handbook

Nexora Systems maintains a strong culture focused on innovation, accountability, and responsible AI development.

Work Structure

Employees may work in hybrid or remote configurations depending on team requirements. Core collaboration hours are typically between 10 AM and 4 PM local time.

Employee Benefits

Full time employees receive the following benefits:

- 20 days annual leave
- 10 days sick leave
- parental leave benefits
- professional development stipend

Employees are encouraged to participate in internal research initiatives and may allocate up to 10 percent of their work time to experimental projects related to AI reliability and infrastructure.

Professional Conduct

Employees are expected to follow Nexora's code of conduct which emphasizes respectful communication, ethical AI development, and responsible data management practices.
